

Xiu Xiu, Lawrence Liquors

Don't tell me
Someone is whispering

Shut up, shut up, shut up
Shut up, shut up, shut up
Shut up, shut up, shut up
Shut up, shut up, shut up

Don't tell me
You are not wrinkled
Everything is wrinkled
Don't tell me
Someone is whispering
Don't tell me
I'm wrong, wrong, wrong
But no one is there

Shut up, shut up, shut up
Shut up, shut up, shut up
Shut up, shut up, shut up
Shut up, shut up, shut up
