We'll look up together

Humble Daisy Form a chain to hold all battleships in check **Humble Daisy** Knit a ladder down to nature's sunken wreck Ragged rug unbound Tangle trip the lovers Royal barge aground Brighter than all of the others on the window sill I'll sing about you if nobody else will Humble Daisy Cast the milk and coins of morning's cash about **Humble Daisy** I fell down to heaven as you picked me out We'll look up together Browsing through some old sky Sipping in the weather You've got me dizzy, the fly that climbed the sugar hill I'll lay upon you 'till somebody else will Humble Daisy
