

XTC, Knights In Shining Karma

Knights in shining karma
Tend your flame
And with love for armor
They'll remain
Ever by your bed
Guarding, still sleeping
Shield your soul from this rain
Knights in shining karma will remain
Jealous winter sun...
Cold as vichysoisse
Steals your smile for fuel
They'll ignite with braziers
Of warming stars
Knights in shining karma
Wash your feet
And with spotless darma come complete
Ever by your sink drying
Up tea tears
Shield your soul from this heat
Knights in shining karma come complete
Swollen summer moon
Hot as boiling air
Poach your dreams to ash
They'll bring sips from restful slumbers
Cooling keg
Jealous winter sun...
