

XTC, Zonked Right Out (On Life)

Zonked right out HA HA

Won't you bop on over little Charlie, won't you [bop]

Won't you bop on over with the move and don't you stop

It's za bees, za bows, zabaglio

That gets the feelin' makes the world go go

Zonked right out HA HA on life

I could tell you how to be a happy person

All you do is throw yourself in love
