

XXANAXX, Give U The World

Hey you
Let's go some place
Where we can be all alone
It's all I want is some cliché
There's something I want you to know

Boy,
Hey you
Let's go some place
Where we can be all alone
It's all I want is some cliché
There's something I want you to know
I want you to know

Give, give, give, give

Boy, I wanna be your girl
I want to give you the world you've never seen
I want to give you the world
I wanna be your girl
I want to give you the world you've never seen
I want to give you the world
