

Xymox, Dancing Barefoot

She is benediction - she is addicted to thee
She is the root connection - she is connecting with thee

She is sublimation - she is the essence of thee
She is concentrating on he, chosen she

I'm dancing barefoot, heading for a spin
Some strange music draws me in
Makes me come on like some heroine

She is recreation - she's intoxicated by thee
She has the slow sensation that he is levitating with she

Here I go, well I don't know why
I float so ceaselessly
Could it be he's taken over me

I'm dancing barefoot, in mid-air I spin
Some strange music draws me in
Makes me come on like some heroine

I'm dancing barefoot, heading for a spin
Some strange music draws me in
Makes me come on like some heroine
