

Y'AKOTO, Without You

When I saw you
the night was blue.
I pursued by
with my eyes.
Hypnotised
by your smile,
by your grace,
by your style.

I wanted to be close to you
and I could tell you wanted too.

Cos I can't go home without you
won't leave alone.
Cos if I wake up without you
my chance is blown.
Cos you are leaving with the break of dawn,
so let us try to change our lives, tonight.

I won't explain,
I'll use no words,
for what I feel
when you're near.

Take my hand
and turn me around.
Let's take off
from the ground.
Dance me far, far away.
Hold on tight
let's be insane.

Cos I can't go home without you
won't leave alone.
Cos if I wake up without you
my chance is blown.
Cos you are leaving with the break of dawn,
so let us try to change our lives, tonight.

I've never felt this way,
I cannot tell you why.
There's something in the air
that we can not deny.

Don't wana be afraid,
don't wana be too wise.
I want your love,
I wana feel alive.

Cos you are leaving with the break of dawn,
so let us try to change our lives
I can't go home without you
won't leave alone.
Cos if I wake up without you
my chance is blown.
Cos you are leaving with the break of dawn,
so let us try to change our lives, tonight.
