

# Y Kant Tori Read, Floating City

You went away  
why did you leave me  
you know I believed you  
nothing explained  
where are the answers  
I know I need you  
Tell me  
Is your city paved with gold?  
Is there hunger?  
Do your people grow old?  
Do your governments have secrets  
that theyve sold?  
Every night I wait  
take me away  
to your floating city  
by my window at night  
I see the lights  
to your floating city  
I want to play  
in your floating city, yeah  
floating city, yeah  
T.V. turns off  
any of us that say  
that weve seen you  
tell me, are we the only planet  
that cant conceive you  
Will we be like Atlantis long ago  
so assured that were advanced  
with what we know  
that our Spirit  
never had time  
to grow  
Every night I wait  
take me away  
to your floating city  
by my window at night  
I see the lights  
to your floating city  
I want to play  
in your floating city, yeah  
floating city, yeah  
Is it weak to look for Saviors out in Space  
little Earth, she tries so hard to change our ways  
sometimes she must get sick of this place  
Every night I wait  
take me away  
to your floating city  
by my window at night  
I see the lights  
to your floating city  
I want to play  
in your floating city, yeah  
floating city, yeah
