

# Y Kant Tori Read, Heart Attack at 23

solo piano intro:

I don't know why I did it  
took the keys to my brother's car  
why should I hang around  
here anymore?

Hey!

Just to put my foot  
to the floor, yeah  
Sirens wake me up  
Wake me up with a cry  
The things we do for attention  
Just a little reminder, dear  
I am still alive

Huh!

So confused  
I almost threw it all away for you  
Well you just took me higher  
and you dropped me lower  
than I've ever been  
before

If I have a heart attack at 23

Im loving you too much

If I have a heart attack at 23

wave bye-bye

You'll miss me

You'll miss me, baby

If I have a heart attack

at 23

All, all of my friend  
we waste so much love on our men

Why can't I be forgiving  
while he been out a-messin  
with his Argentine baby  
cha!

cha!

Owww!

If I have a heart attack at 23

Im loving you too much

If I have a heart attack at 23

wave bye-bye

You'll miss me

You'll miss me, baby

If I have a heart attack

at 23

I must be dreaming  
we were together  
in a land of scarlet ribbon  
that tied you to me, darlin  
[saxophone & guitar solos]  
Roll, roll, roll, roll on  
But you know Im never satisfied  
Roll, roll, roll, roll on  
with all the good things in my life, yeah

Roll, roll, roll, roll on

I thought I needed you to be strong

Roll, roll, roll, roll on

Ill still miss you when Im gone

If I have a heart attack at 23

Im loving you too much

If I have a heart attack at 23

wave bye-bye, baby

If I have a heart attack at 23

If I have a heart attack at 23, babe

If I have a heart attack, baby

I'm loving, loving you too much, yeah  
Hey!  
wave bye-bye, babe  
bye-bye baby, yeah  
I'm loving, loving you too much, hey  
23, hey  
I, you'll miss me baby  
you'll miss me when I'm gone  
wave bye-bye, babe  
wave bye-bye, baby  
I'm loving, loving you too  
too much, babe  
too much, babe
