

# Y Kant Tori Read, You Go To My Head

Sweet love, hello  
make a slave of me  
I should have more control  
little dove, hello  
you take full advantage  
of my open window  
When the cold of the night has washed away  
all I want is to wake in your arms  
and I know that I shouldnt let you stay  
but Im a lush for your love  
You go to my head  
You go to my head  
You go to my head  
and you know I can never say no  
to you and your friend  
You call, oh no  
you know you want him  
boy, your heart swings in the wind  
from rose to rose  
honeybee  
go home  
please stay  
to that warm nest  
you left  
minutes ago  
Yes I understand you give your time  
cant you see Ive given my heart  
all that light in your eyes is from the wine  
Im such a lush for your love  
You go to my head  
You go to my head  
You go to my head  
and you know I can never say no  
to you and your friend, yeah  
Hey, I'm a lush, baby  
for your love, yeah  
You go to my head, c'mon  
You go to my head  
You go to my head  
and you know I can never  
never, never say no  
You go, go to my head  
You go to my head  
You go to my head  
Hey, when you get here  
go, go, baby  
when you go there  
I, down there  
the cold washed away  
go to the night  
washed away  
go to the night  
washed away  
yeah
