

# Yam, Me barbeque

Come to my barbeque  
we have ribs and  
hot hot dogs  
bring guns  
we can have a shoot out  
bring some duck  
they can be targets  
(bridge)  
my barbeque  
my barbeque  
oh oh oh  
my barbeque  
come to my barbeque  
(chorus)  
there are some hot  
chicken wings  
spicy weiners too  
won't you come and join my barbeque  
there's a swimming pool  
if it gets hot  
two pieces bathing suites  
are best to get a tan  
oh my barbeque  
break it into gospel dudes  
weiners, cold beer, hot girls  
shoot out, hot wings, swimming pools  
oh isn't this the best barbeque ever?  
oh isn't this the best barbeque ever?  
cut the gospel break done da beat man  
yo if ya want cold cold beer  
hot girls in binkies  
hot hot weiners too  
come to my barbeque  
it's better than  
the geek's down the street  
we'll blast nirvana around  
with tenacious d too
