

Yam, What you been sayin

What you been sayin
behind my back
i'd like to know
how could have i liked
such a jerk
with a dumb name like sam?
funny huh?
bet you're reading this right now
can't believe what i'm saying
well you can tell your friends
for all i care
what you saying behind my back
i need to know
so i can take it out on you
so you're going to take
the fact i liked you
and use it the wrong way
well it isn't gonna be that way
coz i don't need to like
a jerk such as you
so what you sayin behind my back
so let's just be "friends"
funny you said that
funny bout the fact you
also used to like me
i don't hate you
i have nothing against you
just what you been sayin
behind my back
hatrid from a girl like me
something that i bundle up
some days i just feel like
punching you or throwing up
just coz i got mad at you
doesn't mean i don't like you
which you already think
ask me and i'll tell you the truth
so what you been
sayin behind my back
i do need a friend like you
i friend i have things in common with
the only friend i can say
yeah well at least he listens to
nirvana and not s club 7
sorry i've given you the wrong
impression... but so have you
maybe we'll talk after this
hope so...
so maybe i like a guy named sam
who cares
