

# Yasmeen, Love Is On The Way

Waking up alone  
in a room that still reminds me  
My heart has got to learn to forget  
Starting on my own  
With every breath I'm getting stronger  
This is not the time for regret  
'Cause I don't need to hang on  
to heartbreak  
When there's so much of life left to live

"chorus"  
Love is on the way  
On wings of angels  
I know it's true, I feel it coming through  
Love is on the way  
Time is turning the pages  
I don't know when  
But love will find me again

I am not afraid  
Of the mystery of tomorrow  
I have found the faith deep within  
There's a promise I have made  
There's a dream I'm gonna follow  
There's another chance to begin  
And it's coming as sure as the heavens  
I can feel it right here in my heart

(chorus)

(Oh I know, I know down deep  
down in my heart I know that....)

(chorus)

I don't know when  
But love will find me again....
