

Yazz, Where Has All The Love Gone

Get rid of the
get rid of the
get rid of the ghetto !

Ooh
where has all the love gone

ooh
where has all the love gone ?

You got the power
be what you do

isn't it time you took a look into the people living in the ghettos ?
The words you're saying ain't no big deal

the truth is how do you really feel
for people living in the ghettos ?

Ooh
where has all the love gone

ooh
where has all the love gone ?

You say they're saying it's all mean
but don't know it's bad

how can you know when you've never
had one day of living in a ghetto ?
And the words you're saying ain't no big deal

say
won't you tell me how you really feel
for people living in a ghetto ?

Ooh
where has all the love gone

ooh
where has all the love gone ?

Get rid of the
get rid of the
get rid of the ghetto !
Get rid of the
get rid of the
get rid of the ghetto !
Get rid of the
get rid of the
get rid of the ghetto !
Get rid of the
get rid of the
get rid of the ghetto !

- Ooh
where has
ooh
where has -

Ooh
where has all the love gone

ooh

where has all the love gone ?
Ooh
where has all the love gone

ooh
where has all the love gone ?
Ooh
where has all the love gone

ooh
where has all the love gone ?
Ooh
where has all the love gone

ooh
where has all the love gone ?
