

Year Of The Rabbit, Let It Go

Subtle signs that fell on blinded eyes.
No one spoke cause no one had to.
Didn't notice that my guard was down.
All I did was let it through.

Now I don't know what
You want me to say to you
When I don't know how
I can tell you
The truth.

Stumbled out across the boundary lines.
Tripped upon a stick of truth.
Temporary was this tear in time.
All I did was let it through.

Now I don't know what
You want me to say to you
When I don't know how
I can tell you
The truth.

If you were a friend,
You would've asked her first.
If you were a friend,
You wouldn't ask me first.
If I was your friend,
I would've called you first.
If I was your friend,
I could've told the truth.

But I was willing to let this go.
Are you willing to let this go?
I am willing to let this go.
Are you willing to let this go?
