

# Years Spent Cold, End Your Life

this hate runs deep(x2)  
through these veins

do you need anymore reasons  
just cut your f\*\*king life short  
do us all a favor  
just cut,  
just cut your f\*\*king life short

dont bother explaining  
because i could care less  
your feeling, your life,  
dont mean a f\*\*king thing

end your life,  
years spent cold
