

Years & Years, Shine

I remember us alone
Waiting for that light to glow
Don't you feel that hunger
I've got, so many secrets to show
When I saw you on that stage
I shiver with the look you gave
Don't you hear that rhythm, can you
Show me how we can escape

I was biting my tongue
I was trying to hide
I'll forget what I've done
I will be redefined

It's shaking the sky
and I'm follow the lightning
I'll recover if you keep me alive
don't leave me behind
can you see me I'm shining
and It's you that I've been waiting to find
I'm holding it all tonight
I'm holding it all tonight
you know that you made it shine
and It's you that I've been waiting to find
I'm holding it all tonight
I'm holding it all tonight
you know that you made it shine
it's you that I've been waiting to find

Now we can hear that sound
I know that you can hold me down
You can pull me under
you can raise everything to the ground
everything I can arrange
and every part of me you change
just hold on together to me
you'll always want me to stay

Coz I was biting my tongue
I was trying to hide
I'll forget what I've done
I will be redefined

It's shaking the sky
and I'm following lightning
I'll recover if you keep me alive
don't leave me behind
can you see me I'm shining
and it's you that I've been waiting to find

I wanna be the one you steal
I wanna be the one you shield
I wanna be the one
True love, true love
can you hear?
I wanna be the one you steal
I wanna be the one you shield
I wanna be the one
True love, true love

It's shaking the sky
and I'm following lightning
I'll recover if you keep me alive
don't leave me behind

can you see me I'm shining
and it's you that I've been waiting to find
I'm holding it all tonight
I'm holding it all tonight

You know that you made it shine
It's you that I'll be waiting to find
I'm holding it all tonight
I'm holding it all tonight
You know that you made it shine
It's you that I'll be waiting to find
I'm holding it all tonight
I'm holding it all tonight
You know that you made it shine
It's you that I'll be waiting to find

Tonight, tonight
It's you that I've been waiting to find
Tonight, tonight
It's you that I've been waiting to find
