

# Yello, Drive/Driven

Tonight you gotta look in my eyes  
You got it, you drive me out of my mind

Drive, driven  
Gave, given  
It's dangerous to stay  
And I say  
Drive, driven  
Gave, given  
I gave myself away

You drive me crazy  
You're lazy  
Calling my name  
You drive me crazy  
You're lazy  
Out of my mind  
'Cause you're a diva  
I'm a believer  
'Cause you're a diva  
I'm a believer

Tonight, you gotta give me a number of games  
You got it, you gotta give me a number of names

Drive, driven  
Gave, given  
It's dangerous to stay  
And I say  
Drive, driven  
Gave, given  
I gave myself away

You drive me crazy...
