Yello, Drive/Driven

Tonight you gotta look in my eyes You got it, you drive me out of my mind

Drive, driven
Gave, given
It's dangerous to stay
And I say
Drive, driven
Gave, given
I gave myself away

You drive me crazy You're lazy Calling my name You drive me crazy You're lazy Out of my mind 'Cause you're a diva I'm a believer 'Cause you're a diva I'm a believer

Tonight, you gotta give me a number of games You got it, you gotta give me a number of names

Drive, driven
Gave, given
It's dangerous to stay
And I say
Drive, driven
Gave, given
I gave myself away

You drive me crazy...
