

# Yello, Fat Cry

I wanna be yours, I wanna be loved...  
Giving, loving, rolling, revving (?)  
The rhythm divine  
Giving, loving, rolling, revving (?)  
The rhythm divine

When I saw you the first time  
I knew it was a fine line  
And when I saw you the last time  
You made me . . .  
Stop my game, forget my name  
I wanna be yours

I wanna be yours, I wanna be loved...  
Stop my game, forget my name

Giving, loving, rolling, revving (?)  
The rhythm divine  
Stop my game, forget my name

I wanna be yours, I wanna be loved...
