

# Yello, Si Senor The Hairy Grill

Don't give up all your loving  
I like your loving  
Tears in my eyes  
Touch me, oh oh it's burning  
Why might you leave me  
Please stay with me

Squeeze me, oh oh you squeeze me

Squeeze me, oh oh you squeeze me

Don't want anyone to see you  
Oh oh I'm diving into your eyes  
Crying, I thought I'm dying  
And then I'm smiling into your face
