

# Yello, Sometimes (Dr. Hirsch)

You're leaving  
You're leaving me now  
I'm wishing  
I wish this would hurt  
But I suffer  
I can't feel the pain

Sometimes, sometimes  
I wish I could cry

I heard it  
I heard about love  
I gave you  
The feelings I could  
You left me  
I know you were right

Sometimes  
I wish I could cry  
Sometimes  
I wish I could cry  
Sometimes, sometimes  
I wish I could cry
