

Yello, Sometimes (Dr. Hirsch)

You're leaving
You're leaving me now
I'm wishing
I wish this would hurt
But I suffer
I can't feel the pain

Sometimes, sometimes
I wish I could cry

I heard it
I heard about love
I gave you
The feelings I could
You left me
I know you were right

Sometimes
I wish I could cry
Sometimes
I wish I could cry
Sometimes, sometimes
I wish I could cry
