

# Yello, Swing

The one desire is to dance the swing  
Could catch it all night long  
And when I'm riding on that wing  
And just for you I'm in the swing

And when I'm riding on that wing  
My heart does start to sing

Fu:r dich allein tanz' ich den swing [ u: is a deutsche y ]  
Ich hoff' du bleibst noch hier  
Vielleicht geh' ich nach zu dir hin  
Und dann tanzst du mit mir

And when I'm dancing  
I've got to give it all  
Cause it's the only thing  
And when I'm waiting  
Until last call  
I do it for the swing

And when I'm riding on that wing  
My heart does start to sing

And when I'm riding on that wing  
My heart does start to sing
