

Yello, Vicious Games

I never knew
How much I loved you
I never knew
How much I cared
So I played

Vicious games, vicious games
With different names, different names
Vicious games, vicious games
With different names, different names

I was afraid
To go under
Afraid to see
When I closed my eyes

Vicious games, vicious games
With different names, different names
Vicious games, vicious games
With different names, different names

I never knew
How much I loved you
I never knew
How much I care
I just played

Vicious games, vicious games
With different names, different names
Vicious games, vicious games
With different names, different names

Now that you're gone
And you have left me
I had to learn
I had to learn how much it hurts
To play those vicious games

Vicious games, vicious games
Different names, different names
Vicious games, vicious games
Different names, different names

Vicious games, vicious games
Different names, different names
Vicious games, vicious games
Different names, different names
