

Yellowcard, Fighting

Said I'd move on and I'd leave it alone
But before I walk out there is something that I need you to know
I got lost in the blink of an eye
And I could never get back, no I never got back...

You were not there when I wanted to say
That you were everything right
And it wasn't you who need to change
Now I gotta go there alone
But I will never give up, no I'll never give up.

What am I fighting for?
There must be something more
For all this words I sing
Do you feel anything?

Said I'm ok, but I know how to lie
You were all that I had
You were delicate and hard to find
Got lost in the back of my mind
And I could never get back, no I never got back

You were not there when I needed to say
I hit the bottom so fast
That my head was spinning round for days
Now I gotta go there alone
But I will never give up...
No I'll never give up...

What am I fighting for?
There must be something more
For all these words I sing
Do you feel anything?

What am I fighting for?

What am I fighting for?

Never give up...on this
Never give up...Up on this
Never give up...On this
Never give up...on this

Said I'm ok but I know how to lie
I will never give up, no I'll never give up

What am I fighting for?
There must be something more
For all these words I sing
Do you feel anything?

What am I fighting for?
No, I'm never gonna give up, give up

What am I fighting for?
No, I'm never gonna give up, give up

Said that I'd fight for the one that I found
I'm gonna stay here while I wait for you to come around
I'll fight, you're a part of me now
And I will never give up, no I'll never give up!
