Yellowcard, Live On The Brink

Well i'm on the brink, of something horrible Just what it is Im not to sure But I cant take it anymore (round 1 fight) I cant explain the feeling that I feel, Im not even sure that theyre for real Doesnt work to end in sour tales Go to sleep so I can wake up Wondering why things are this way What the fuck did I say? To make you hate me any way I'm on the brink, I lost my self control I didnt think that this would happen to me anymore Just want to be a babe for once I cant explain the feelings that I feel, Im not even sure if theyre for real Doesnt work to end in sour tales Go to sleep so I can wake up Wondering why things are this way What the fuck did I say? To make you hate me any way (you lose)
