

# Yes, Silent Talking

(Jon Anderson, Steve Howe, Rick Wakeman, Bill Bruford, Jonathan Elias)

Does it matter if He broke His spell?  
So unreal is the future life along the way (day to day)  
To turn around, it all comes through this feel.  
It doesn't ring true.

Silent talking in the system, ringing to this beautiful world.  
Silent talking, always dreaming, ringing to this beautiful world.  
Silent talking in the system, ringing to this beautiful world.  
Silent talking, always dreaming, ringing to this beautiful world.
