

# Yesterdays Rising, Combust And Feel Better

There's a boy who  
knows where he's going  
and where he's been  
why don't you find love  
why don't you find love  
there's a secret you know  
behind this concrete floor

There's a boy who  
knows where he's going  
and where he's been  
why don't you find love  
why don't you find love  
there's a secret you know  
behind this concrete floor

Combust and feel better  
combust and feel better

There's a boy who  
knows where he's going  
and where he's been  
why don't you find love  
why don't you find love  
there's a secret you know  
behind this concrete floor
