

Yeti, Keep Pushin' On

Been down, inner London town
I kick around, there's no money to be found
Sometimes I think I'll never find no piece of mind
sometimes I think I'm gonna leave you all behind

Keep pushin' on
Keep pushin' on
Keep pushin' on
Keep pushin' on
Until you get what you want
Until you get what you want

Sometimes it's hard for a man to see
That the game ain't lost if he loses his queen
and if at first, you don't succeed
You can win, but you've got to believe

Keep pushin' on
Keep pushin' on
Keep pushin' on
Keep pushin' on
Until you get what you want
Until you get what you want

sometimes I think, my work is done
But then they push me back to square one
I tell you brother, obstacles will come
Keep pushin' on...

Rome wasn't built in a day
And if a man don't work then he won't get paid
I tell brother, where there's a will there's a way
Keep pushin' on, everything will be okay

Keep pushin' on
Keep pushin' on
Keep pushin' on
Keep pushin' on
Until you get what you want
Until you get what you want
