

Ying Yang Twins, Intro

Ahhhh shit

Ya'll know what time it is (What time is it)

It's the return of the motha f**kin ying yang twins

And you know this is your boy Collipark

And we back on the fifth L.P.

We back in this biz baby, but this time we gonna do it a lil different

For the first half of the album we gonna do it for the die hard ying yang twins fans

The ones that been with us from day one

The second half of the album we gonna team up with my man Wyclef and my man Jerry Wonder

And do it a little different

Make it a little musical for ya'll

So what you can do right now is sit back, grab you some gack, some patron, fire you up a blunt

And all you ladies that like to shake ya ass

You already know its about to go down in this bitch

It's the motha f**kin chemically imbalanced L.P.

So we free to do it like this

Yo check it out
