Takin money out their pocket
Shoot em to the moon
Like a mother mother f**kin rocket
Pussy start wars
Turn bitches into stars
Get goose behind bars
Then smoke like cigars
I prefer swishas befo i lick her
I got a treat for this trick
This dick a skeeter

So one, two, three, four, five,
Six, seven, eight, nine, ten,
Eleven, tweeeelve

This bitches dont second this
Somebody bail

Thats why the pussy club sell
Plus a nigga rather pay money
Just to see a tail
And they go to the house
For a special resale
And plus everytime she said no
