

# Ying Yang Twins, My Brother's Keeper

(feat. Anwar)

(Chorus)

They dont know how far back that we go (we go)  
From riding skates, to riding 24's  
From off the block hustlin to rockin shows  
we done seen many bumps in the road  
But still we remain, still in the game  
Never worry , about them haters, that will never change  
And i put this on everything babe  
I am my brother's keeper.

(Verse : Kain)

Listen D-roc, i know you dont think i care for ya, but at a drop of a dime i'll be there for ya, and any  
they ass man and thats from the heart. Pick em apart now that the ying yang twins got some ends,  
let me borrow a stamp and when tomorrow comes dont ask me to borrow it back. If they cant do th  
serious as cancer. If i was jojo dancer i would do the same thang, not to let another man spark my  
the both of us we aint got a damn thang. Its me and my brother, my brother and me, all that you se

(Chorus)

(Verse : D-roc)

United states of Atlanta its still me and my brother we done been through a lot but still kain i love ya  
the time you make me laughor you made me mad. I still got cha back but imma take ya way back v  
change trying to make 2 dollars or 3 to get some 99 cent hamburgers to eat and then ride thorough  
underground superstars and these last 5 years we done put work in, now the whole world know of  
together, we hit the road and its like we never left each other. Now thats love. I love you til the day

(Chorus)

(Verse: Kain and D-roc)

People of the world we must change our mind frame and stay away from the con and mind games.  
working hard but you bareky gettin by trying to make a line between stress and peace and satan al  
friend, man we all in the struggle but you gotta remember im yo brother.  
Listen people you need to start helping yo brother, helping yo sister, mama, daddy, children and all  
dont know whats going on. They dont know right from wrong, so when you see yo brother give him  
on his own cause times gettin hard these days. We at war amongst ourselves and we at war over

(Chorus)
