

Yngwie Malmsteen, I'll See The Light, Tonight

"

I've seen visions in the night, passing through the stars

Who's to run and who's to fight?

Evil tries to pull me in, enslaving me to die

Who's to lose and who's to win

I'll see the light, tonight

Flashing through the sky

Take my life, tonight

Now, the chaos has begun, people crying out

You're all alone, you gotta run

Victims of circumstance, not able to decide

No, we never had a chance

I'll see the light, tonight

Flashing through the sky

Take my life, tonight

Evil tries to pull me in, enslaving me to die

Who's to lose and who's to win

Victims of circumstance, not able to decide

No, we never had a chance

I'll see the light, tonight

Flashing through the sky

Take my life, tonight

"
