

Yngwie Malmsteen, Spanish Castle Magic

its NOT very far away
it takes about half a day
to get there
if we travel by my, dragonfly

No its not in spain
but all the same (haha)
you know
its the name
and the winds just, rigggghhtt

hang on my darlin'
hang on TO ME if you wanna go
your love puts its all right on the shelf
when you gimme that Spanish Castle Magic
some spanish castle magic

when the clouds are really low
and they overflow LIKE cotton candy
and battlegrounds
Red and Brown

But its all in your mind
dont waste your time
on little things like
Heyyy
Hey, Hey, Hey

hang on my darlin'
hang on TO ME if you wanna go
your love puts its all right on the shelf
when you gimme some Spanish Castle Magic
ooohh spanish castle magic
