

# Yngwie Malmsteen, Touch The Sky

Can you remember all the times  
We were rehearsing all the lines  
Way too high  
But still we'd try  
We were loosing sleep  
But for the cause  
Rocking out without a pause  
Way too high  
Way too high  
Then it seemed so cool  
But it wasn't true  
And what I was told  
There was no lies  
And now I won't die until I'm old  
We were way too high  
Trying to reach up and touch the sky  
Touch the sky  
We were way too high  
Trying to reach up and touch the sky

But the end would justify  
All the lost time that went by  
Do or die  
Way too high  
Well, I can't believe it's true  
And all the things that we would do  
Way too high  
Way too high  
Then it seemed so cool  
But it wasn't true  
And what I was told  
There was no lies  
And now I won't die until I'm old

We were way too high  
Trying to reach up and touch the sky  
Touch the sky  
We were way too high  
Trying to reach up and touch the sky

All I was told  
There was no lies  
I won't die till I'm old

Trying to reach up and touch the sky  
We were way too high  
Trying to reach up and touch the sky  
We were way too high  
Trying to reach up and touch the sky  
We were way too high
