

Yo La Tengo, My Little Corner Of The World

Come along with me to my little corner of the world
Dream a little dream in my little corner of the world
You'll soon forget that there's any other place
Tonight, my love, we'll share a sweet embrace

And if you care to stay in my little corner of the world
We could hide away in my little corner of the world
I always knew that I'd find someone like you
So welcome to my little corner of the world

And if you care to stay in our little corner of the world
We could hide away in our little corner of the world
We always knew that we'd find someone like you
So welcome to our little corner of the world
