

Yo La Tengo, Sugarcube

Whatever you want from me, whatever you want I'll do
Try to squeeze a drop of blood from a sugarcube

Try to be more assured, try to be more right there
Try to be less uptight, try to be more aware
Whatever you want from me, is what I want to do for you
Sweeter than a drop of blood from a sugarcube

And though I like to act the part of being tough
I crumble like a sugarcube for you

Whatever you want from me, whatever you want I'll do
I will try
