

Yoko Ono, Dream Love

Dream love, dream universe
Dream come true

Dream power, dream energy
Dream eternity

In dream you can fly forever
and never miss a turn
In dream you can spread your wings
and know where to turn

Dream sunrise, dream sunset
Dream together
Dream you, dream me
Dream each other

In dream the world is clear forever
and there's no return
In dream you can love forever
and there's no return

Dream power
Dream reality
Dream together

There's no return

In dream you can fly forever
and never miss a turn

In dream you can spread your wings
and know where to turn

Dream, dream, dream
