

# Yoko Ono, Hard Times Are Over

It's been very hard  
But it's getting easier now  
Hard times are over, over for a while

The leaves are shining in the sun  
And I'm smiling inside  
You and I watching each other on a street corner

Cars and buses and planes and people go by  
But we don't care, we wanna know  
Wanna know in each other's eyes  
That hard times are over, over for some time "(yeah)"

Hard times are over  
Hard times are over  
Hard times are over, over for awhile

It's been very rough  
But it's getting easier now  
Hard times are over, over for awhile

The streams are twinkling in the sun  
And I'm smiling inside  
You and I walking together 'round the street corner

Hard times are over  
Hard times are over  
Hard times are over, over for awhile

Hard times are over  
Hard times are over  
Hard times are over, over for awhile

Hard times are over  
Hard times are over  
Hard times are over, over for awhile

Hard times are over  
Hard times are over
