

Yoko Ono, I Love You, Earth

I love you, earth, you are beautiful,
I love the way you are.
I know I never said it to you,
But I wanna say it now.
I love you, I love you, I love you, earth.
I love you, I love you, I love you now.

I love you, earth, you are beautiful,
I love the way you shine.
I love your valleys, I love your mornings,
In fact I love you evry day.
I know I never said it to you,
Why, Id never know.
Over blue mountains, over green fields,
I wanna scream about it now.

I love you, I love you, I love you, earth.
I love you, I love you, I love you now.

You are our meeting point of infinity,
You are our turning point in eternity.

I love you, (I love you) I love you (I love you) I love you, earth.
I love you, (I love you) I love you (I love you) I love you now.
I love you, (I love you) I love you (I love you) I love you, earth.
I love you, (I love you) I love you (I love you) I love you now.
