

# Yoko Ono, Remember love

Remember love, remember love,  
Love is what it takes to sing.  
Remember love, remember love,  
Love is what it takes to meet.  
Remember love, remember love,  
Love is what it takes to live.  
Remember love, remember love,  
Love is what it takes to dream.  
Remember love, remember love,  
Love is what it takes to see.  
Remember love, remember love,  
Love is what it takes to meet.  
Remember love, remember love,  
Love is what it takes to live.  
Remember love, remember love,  
Love is what it takes to tie.  
Remember love, remember love,  
Love is what it takes to live.  
Remember love, remember love,  
Love is what it takes to tie.  
Remember love, remember love.  
Love -  
Remember love.  
Love -  
Love -.
