

Yoko Ono, Rising

Mm -

Listen to your heart,
Respect your intuition.
Make your manifestation,
There's no limitation.
Have courage,
Have rage, we're all together.

Oh - uh... ad lib

Have courage,
Have rage, we're all together.

Oh - uh... ad lib

Follow your heart,
Use your intuition.
Make your manifestation,
There's no confusion.
Have courage,
Have rage, we're rising.

Oh - uh... ad lib

Follow your heart,
Use your intuition.
Make your manifestation,
There's no confusion.
Have courage,
Have rage, we're rising.

Oh - uh...ad lib

Follow your heart,
Use your intuition.
Make your manifestation,
Have courage,
Have rage, we're rising.

Oh - uh... ad lib

Have courage,
Have rage, we're rising.
There's no confusion.
We're all together.
