Verse 1:

One day I found a love
Offering peace unto my soul
I been so happy ever since that day
Nothing but joy unspeakable

Leader and Chorus:

And I know that it come from above
And I'll let it show
And never let go
Take it everywhere I go

Chorus:

Day by day I'm going to keep you spirit in my heart
Even if the world grow whole
I know your love for me will never part

Verse 2:

Sometimes I feel so inspired
And other times I just wanna give up uh
That's when I feel your presence giving me confidence and trust

Leader and Chorus:

And I know that it come from above
And I'll let it show
And never let go
Take it everywhere I go

Chorus:

Vamp:

I'm glad I've found your love
It's unconditional, and it's unconditional
And i'll never let it go
Let it go, let it go
Oh, oh, oh, oh, oh I know
I know that it came from above
I know, I know, I know, I know
And I'll let it show and I'll never let go
Take it everywhere I go

Repeat Chorus 3x:

It's day by day
I've gotta keep your spirit in my heart yeah, yeah, yeah
Oh, Lord
Your love unconditional for me, for me to me
There's no place else that I'll rather be
Than here will you and you with me
So sweet, so sweet, so sweet, so sweet, so sweet love for me
Oh, oh
I'll gotta keep your spirit in my heart, in my heart, in my heart, in my heart
