

Yolanda Adams, Take Away

Take away any desire in me that hurts You
Take away anything that stands between You and me
I want to be what You created me to be
It's my desire that You find favor in me
Lord
Take away anything that displeases You

Take away any evil thought within me
Take away anything that proves to break your heart
I want to be in sweet communion with You
It's my desire to do everything You want me to do
Lord
Take away anything that displeases You

Remove all doubt
All insecurity
Erase all hate
All iniquity
Discard all the fear
found deep within me
Lord
Take away anything that displeases You

Take away Lord
Take away

Take away any desire in me that hurts You
Take it away
