

# You Am I, If We Can't Get It Together

To get up the bond for an Inner West flat  
He'd work for anybody if he wasn't working for her dad  
She's practising saying 'I do' and 'I will'  
Cause she don't know how to tell him that she's going off the pill

Her curtains are for certain that he'll talk about her ass  
But she clings to his photo like a piece of broken glass  
If we cant get it together today  
She's looking for his heart while he stares the other way

His dad is a nut, his ex- girl is a slut  
But he'll be yours forever  
If you just get it together  
If we cant get it together if we cant get it together  
Is it ever gonna be just you and me?

So they met on Tuesday at the Town Hall steps  
To get an 8" by 10" photo and a wedding date set  
'we might as well do it next week,  
cause we've met everybody that we're ever gonna meet'

His dad is a nut, his ex- girl is a slut  
But he'll be yours forever  
If you just get it together  
If we cant get it together if we cant get it together  
Is it ever gonna be just you and me?

470 to Circular Quay  
With a present in your pocket from the TAB

If we cant get it together if we cant get it together  
Is it ever gonna be just you and me?

Would you settle for a mobile home  
Near a good record store and a public phone?

If we cant get it together if we cant get it together
