

# Young Buck, Niggas Change On You

(Verse)

The game been good to me  
Im still runnin 'round where i use to be  
The projects, where we move the Ki's  
Tryna tear down the bricks, we refuse to leave  
See regardless, ima do my thang  
I dont care what set you claim, i just met you man  
Be happy that i let you slang  
'cause if i let Tec know he gonn' bust yo brain  
And if all yall niggas out here wanna hit it  
Holla G-Unit South, let me know you with it  
Shit bout to get crazy in a minute  
Thats why my bitch purse got a .380 in it  
Ima give niggas one more chance  
We cool but i ain'tshakin no hands  
Next time you wont hear bout whatever gonn' happen  
My album went platinum i found out

(Chorus)

Niggas change on you, so hard to keep friends  
Seem like i cant find nobody, but i aint got no ends  
Niggas change on you, thats why we bet these hoes  
Soon as a nigga gotta let up somethin, its when they let me know  
A brother done changed on you

(Verse)

Im all by myself in this Benz  
Glock gotta extend clip on the end  
Priest bout to come home from the pen  
Ima make sure he never touch a bird again  
Muthaf\*\*kas act like i dont deserve to win  
Niggas claim they Kin but i aint heard of them  
Like i aint hit the block and put work in  
Like i aint still gettin them pounds of purp in  
Say what you want but my bills is paid  
Im not tryna be 35 still on stage  
Shit was all good but he turned his back  
Them niggas stayed with him didnt learn from that  
The tables turned, i went and got me a pack  
So i could give a damn what you say on "smack"  
You know what it is and you know where im at  
For real dont make me snap 'cause

(Chorus)

Niggas change on you, so hard to keep friends  
Seem like i cant find nobody, but i aint got no ends  
Niggas change on you, thats why i bet these hoes  
Soon as a nigga gotta let up somethin, its when they let me know  
A brother done changed on you
