

Young Divas, Happenin' All Over Again

("Ricki-lee")

Oh, Happening all over again
I was such a fool
To think that you would
Ever change your ways
Even put your hand
Upon your heart and
Said that no one else
Could take my place

("Paulini")

How was I so blind
I trusted every single
Word you said I
Know I should've seen
The light but I just let
Your love go to my head

("Emily")

"I've taken you back before
cos you told me you
Changed looked in my eyes
And said"

"Believe me then you
Broke my heart and
Deceived me when you said you
Never could leave me, but it's
Happening all over again
No! No! No!"

("Kate")

I promise to myself I
Never make the same mistakes again
And though I love someone else
I never really want to walk away

("Emily")

"It seems that your just the same
I forgot all the pain looked in your eyes
you said"

"Believe me then you
Broke my heart and
Deceived me when you said you
Never could leave me, but it's
Happening all over again
(Happenin' all over again)
No! No! No!"

"Believe me then you
Broke my heart and
Deceived me when you said you
Never could leave me, but it's
Happening all over again
No! No! No!"

Hey, It's happenin' all over
It's happenin' all over again
oh yeah.

("Paulini")

"It seems that you're just the same
I forgot all the pain, looked in your eyes"

""Believe me then you
Broke my heart and
Deceived me when you said you
Never could leave me, but it's
Happenin' all over again
(Happenin' all over again)
No! No! No!""

""Believe me (Believe me, yeah) then you
Broke my heart and
Deceived me (you broke my heart, yeah) when you said you
Never could leave me, but it's
Happenin' all over again
(Happenin' all over again)
No! No! No!""

""Believe me
Oh yeah, you broke my heart and tore it apart
Deceived me (you said) you said you
Never could leave me, but it's
Happenin' all over again
(again and again and again, oh no)
No! No! No!""

""Believe Me
Decieved Me""
(It's happenin' all over
again and again and again and again and again)
""Believe Me""
(It's happenin' all over
again and again and again and again and again)
""Decieved Me""
