Young Divas, Woman In Love

Life is a moment in space When the dream is gone It's a lonelier place

I kiss the morning goodbye But down inside You know we never know why

The road is narrow and long When eyes meet eyes And the feeling is strong

I turn away from the wall I stumble and fall But I give you it all

I am a woman in love And I'll do anything

To get you into my world And hold you within

It's a right I'll defend Over and over again What'do I do ?

With you eternally mine In love there is No measure of time

We planned it all at the start That you and I Live in each other's hearts

We may be oceans away You feel my love I hear what you say

The truth is ever a lie I stumble and fall But I give you it all

I am a woman in love And I'll do anything

To get you into my world And hold you within

It's a right I'll defend Over and over again What'do I do ?

I am a woman in love And I'm talking to you

Cause I know how you feel What a woman can do

It's a right I'll defend Over and over again

I am a woman in love And I'll do anything To get you into my world And hold you within

It's a right I'll defend Over and over again

What'd I do? What do I do?

What'd I do ? What do I do ?
