[Verse 3: Young Jeezy]  
I'm ya hoods last hopes  
I'm the El' Capi'tan  
Ask about me in the city  
I'm the motherfuckin' man  
Head above war, we call it 10 doors down  
We hustle right here, work 10 doors down  
Live life like a lottery, I call it the big game  
Investigate it for me, I call it the big change  
I sleep when I'm gone, yeah I'm tryna get to it  
It's like a Nike campagne the way ya' boy just do it  
Aye!, the paper keeps coming  
yeah, it flows like fluid  
Get a 50 pack and we run right through it  
Make dem boys tuck it in cause I'm all iced out  
87-32 yeah, you know what I'm about  
HA HA, you know what it is...

[Chorus (fade out): Young Jeezy]  
I can't even lie  
A day like this  
Hey, it's gonna be a hell of a night  
Homie you know what it is  
Cause I'm so fly  
Ya eyes don't lie  
You fukin wit a gangsta tonight  
Baby, you know what It is...
